Got It! - Getting On Track In Time

Helping parents and children work together
to improve difficult behaviour

Got It! is a new program supported by the NSW Department of Health, and the NSW Department of Education. Shelley Public School students in Kindy, Year 1 and Year 2, and their parents are offered a place in this exciting new program.

This program will give families the opportunity to be part of a fun and supportive group – that can improve family relationships and help parents deal with difficult behaviours.

Got It! aims to give support and practical help to children and their families, and also to support the school community to help children get the most out of the opportunities available to them.

Shelley Super Stars

Congratulations to the following students on achieving their:

Shelley Public School Song

We are the children of Shelley Primary School,
We're good and we're kind and we're true
Oh, we always try our hardest in everything we do
We like to see the job through.

We don't like to fight or to see others hurt,
We like to be kind to our friends.
Oh, Shelley Primary children,
We are proud to be.
Shelley, Blacktown
That's the school for me

Shelley Public School Prayer

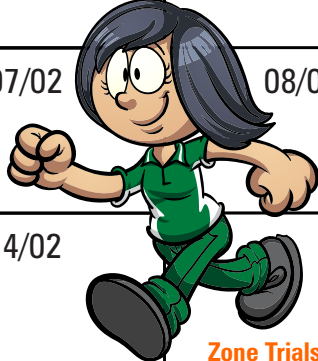

This is our school
Let peace dwell here
Let the rooms be full of contentment
Let love abide here

Love of God
Love of mankind
Love of one another
And love of life itself

Let us remember that
As many hands
build a house
So many hearts
make a school
