SHELLEY PUBLIC SCHOOL

15th March 2019

Principal's Report

It has been another productive week of learning at Shelley PS for students, teachers and parents alike.

We pride ourselves on being a "community of lifelong learners" – and to this end, our teachers are involved in ongoing and regular professional learning, both as stage teams and as a school team. I would like to acknowledge and thank our Shelley school staff for their commitment to their own professional development and learning. Our teachers spend many hours outside of school time, to ensure that the teaching and learning programs offered at Shelley are of an outstanding quality. We are indeed blessed to have such a dedicated team of professionals working with our students.

KidsMatter

Harmony Week at Shelley PS - Thursday 21st March

Harmony Day (21st March) celebrates Australia's cultural diversity. It is about inclusiveness, respect and a sense of belonging for everyone. It is a day for all Australians to embrace cultural diversity and to share what we have in common.

The central message for Harmony Day is that 'everyone belongs', reinforcing the importance of inclusiveness to all Australians. This year marks the 20th year of Harmony day celebrations in Australia (and in fact, to signify its importance – the event has been renamed Harmony Week). For our school, it provides our students with an opportunity to understand that although we may look, learn, eat, celebrate or speak differently, we all deserve to belong and be respected.

We are planning some Harmony Day celebrations for Shelley – to take place on Thursday 21st March. We will be holding a National Dress or Orange Mufti Day. On this day students can come to school wearing national dress from their cultural heritage – or they can wear mufti clothes in the colour orange (as this is the colour that represents Harmony Day). This is a free Mufti day to celebrate harmony at our school (no gold coin donation necessary). Parents are encouraged to wear their national dress when dropping children off in the morning!

Students will also participate in some Harmony Day activities in their classroom.

Reminder: Lost Property Reminder

This is repeated from our Week 3 newsletter – but it seems to be an ongoing issue. We frequently remind students about the importance of labelling all items of clothing and checking lost property for missing items. (The Lost Property cupboard is located near the hall). Occasionally I hear of jumpers that have gone missing for weeks at a time – only to turn up later and be returned to the owner because it is clearly labelled. **It is common for students to inadvertently pick up items of clothing, particularly hats, jumpers and jackets, which do not belong to them. It is helpful if parents can check their children's school uniforms as they are going through the wash. If you notice an item that does not belong to your child, please return it to the school as soon as possible** – as its prompt return may save another parent the expense of replacing the missing item unnecessarily.

Young Leaders Day

On Monday, Mrs Williams and I attended The National Young Leaders Day at The International Convention Centre, Darling Harbour, with our Year 6 Student Leaders. Congratulations to Bradley, Eloise, Bradwell, Alana, Lachlan, Destiny, Joshua and Sophia- who were great ambassadors for our school and participated in the day enthusiastically.

Our young school leaders had an exceptional day, with some outstanding speakers, sharing insights and suggestions around facing challenges and being an effective leader.

The speakers included:

Tim Diamond - General Manager Cotton On Foundation

"The Cotton On Foundation is focused on empowering youth globally through the delivery of quality education projects in Uganda, South Africa, Thailand and Australia. Tim Diamond is the General Manager of the Cotton On Foundation, and has lead the passionate team since he was engaged by the Cotton On Group back in 2006 to develop the philanthropic arm of the business. The Cotton On Foundation's mission is to develop 20,000 educational places globally by 2020, believing that education is key to breaking the cycle of poverty".

Tim challenged our students to think about: What is your cause / passion? What do you need to do to make it happen? What is stopping you?"

Some of Tim's important messages were:

- "A quality education gives every child the potential to make a difference"
- "One small action can have a huge impact."
- "The world needs you – you are the changemakers"

Tamsin Janu - award winning Australian children's author.

"Tamsin's inspiration to write comes from many of the things she has seen and experienced herself. Her debut junior novel, Figgy in the World, was born from memories of her three month trip to Ghana, West Africa in 2009. Tamsin's newest stand-alone junior novel is Blossom, a fantasy story set in Australia. It follows the adventures of 10 year old Lottie, who one day discovers a strange little girl, Blossom, on her doorstep."

Tamsin's important messages included:

- "If you don't take a chance sometimes. If you don't put yourself out there, you will never achieve your dreams"
- "Following your own path does not mean you don't take on the advice of others"
- "Whilst you are the author of your story, people that you meet will become the editors (who make suggestions to make the story better!)"
- "Challenge yourself, Take time to learn about the world around you and Be unique!"

Cate Campbell – Gold Medallist Olympian in Swimming

"Cate Campbell is currently one of the most prominent names in Australian swimming. Born in Africa, she moved with her family to Australia when she was 9 years old, and joined her local swimming club as a way of meeting others. Cate first came to prominence at age 13 in 2006, when she claimed gold in both the 50m and 100m Freestyle at the Australian Age Championships. She has gone on to hold both Olympic and world records in these same events. Cate admits that she was never good at singing or dancing, but she realised that swimming was something she could do well. Also admitting that she isn't naturally a driven person, Cate has become highly motivated by her pursuit of excellence".

Cate reminded our young leaders to work hard and be humble!

An important message from Cate was that "Swimming is an individual sport – but you don't get there without a team. Find something you are good at and that you love – then you will be willing to sacrifice to achieve your goal"

Holly Ferling -Australian Women's Cricketer

"Holly Ferling is one of the rising stars of international women's cricket, having exceeded expectations in her short career to date and has recently been recruited by the Melbourne Stars in the Women's Big Bash League".

She encouraged our student leaders to "Embrace the scary but exciting" and reminded them that: "In leadership – you are in the spotlight and everyone watches what you do. You have the opportunity to make a change and leave a legacy. What will you do with your responsibilities as a leader? What is the legacy you will leave behind? Challenge yourself - continue to grow - continue to challenge yourself. Setbacks will happen - you only fail if when presented with a setback you do nothing."

Reminder for Parent Helpers in Classrooms

At Shelley PS we greatly value the participation of parents and grandparents in many aspects of school life. One very valuable way of helping out is to volunteer as a parent helper for reading or maths groups. I would just like to remind all parents who assist in classrooms of the significance of this role - and of the trust that is placed in you as a volunteer. Confidentiality is of utmost importance - and I remind all our helpers that the learning, efforts and behaviour of our students must not be discussed outside the classroom, not even with a child's parents.

School Requirement Pack Fees

With just four weeks left in Term 1 - there are still a number of families who have not yet paid their School Requirement Pack / Resource fees. These books and subscriptions have already been paid for and it is important that the school is reimbursed for the costs. Whilst ever we still have so much of this money outstanding - we are unable to proceed with the purchase of other resources for use in classrooms.

Kindergarten Parents

Parents with a student in Kindergarten - we ask you to please pack in your child's bag a spare change of underwear. Kindergarten children often become so engrossed in their play or activities – and will "forget" to stop for a toilet break. Others just don't make it on time! Although we have a small supply of underwear, it is much better for children if they have their own underwear to change into. Please keep a spare change of underwear in a plastic bag in your child's school bag.

If your child has an accident and comes home in "school underwear" we ask that these are washed and returned to school at your earliest convenience.

Jewellery at School

The students at Shelley PS are to be congratulated on the way they wear their school uniform with pride. Although at times it is necessary to speak to primary students about a few incorrect items of clothing "creeping in", they clearly make a concerted effort to ensure they are wearing full and correct school uniform at all times. I also thank parents for assisting in this area.

One area I would just like to remind all students about is the wearing of jewellery. This information is also important for new families to our school.

Students are permitted to wear a watch and earrings. Earrings should be a small pair of studs or sleepers (NO dangly earrings or bright coloured earrings).

Necklaces are not to be worn by students at school (with the exception being a chain with a small religious medal or cross. These should be tucked under the uniform).

No rings, bracelets, anklets or bangles (again- the exception would be a medical alert bracelet).

School Gates

We have 5 pedestrian entries to the school which are used by students and parents in the mornings and afternoons. For the safety and security of our students, four of these pedestrian gates are closed and locked during the school day.

Please note: the Hadrian Ave carpark pedestrian access entrance remains open throughout the day, for parents needing to drop off / pick up students, or visit the school office, or for those coming to school as parent helpers.

The other four gates are closed each morning at approximately 9.30am and re-opened in the afternoon by our General Assistant. The gates will be opened at approximately 2:50pm on Mondays and Tuesdays, and at 2:30pm on all other days.

Change of Address and Contact Details

It is essential that we have up to date address, contact, and emergency contact details for every student at our school. Often when families move – or parents change phone numbers or workplaces, it is easy to forget all the people we need to notify! If any of your contact details change, please notify the school office as soon as possible.

Remember - Parents can also update these details via the School APP at anytime.

Please let us know if you have changed:

- Address
- Home or mobile phone
- Email address
- Work place - and therefore have a new work contact number
- Or if you have different emergency contacts to those nominated on your child's enrolment form.

National Day of Action Against Bullying and Violence - Friday 15th March 2019

Today is the National Day of Action Against Bullying. This day is held to raise community awareness of the impact of bullying and violence.

The NSW Department of Education and Communities is committed to ensuring all NSW schools remain safe places for students to learn and teachers to teach. Bullying is a complex issue for the whole community and addressing this issue requires constant vigilance by the whole community, including school communities.

The National Day of Action Against Bullying and Violence 2019 encourages us as schools, parents, families and community members to take a stand together to recognise the important role everyone plays in the drive to stop bullying.

We must remember to differentiate between

- bullying as repeated incidents and
 - isolated incidents (which whilst still unacceptable are not a case of bullying)
- Conflict or fights between equals and single incidents are not defined as bullying.

Bullying behaviour is not:

- children not getting along well
- a situation of mutual conflict
- single episodes of nastiness or random acts of aggression or intimidation.

During the year, all of our classes at Shelley PS are involved in discussions and lessons around the subject of bullying.

If you would like to learn more about how we can support our children in the stance against bullying, there are some great websites you can visit – including Bullying. No way! Website: <http://bullyingnoway.gov.au/>

This site has lots of great information as well as activities for children to get involved in. We encourage parents to also have a look – and spend some time discussing the issue with their children.

Jo-Ann Campion

Deputy Principal's Report

Sydney West Swimming Carnival

Congratulations to the Shelley students who represented Blacktown Zone on Tuesday at Homebush. Well done, Harry, Jake, Nathaniel, Jake and Tate!

Young Leaders Day

On Monday, Ms Campion and I took our student leaders to the Young Leaders conference at Darling Harbour. The conference had fantastic speakers to appeal to and inspire our students, including:

Tim Diamond from the 'Cotton On Foundation' who encouraged the audience to discover their passion, work out what is needed to make it happen and also to identify and work around barriers – learning from your mistakes.

Tamsin Janu - author who spoke of getting out of your comfort zone and taking chances to follow your dreams.

Cate Campbell - Olympic swimmer who encouraged students to find something you are good at and enjoy and also not being afraid of dreaming big.

Her goggles remind her to set goals.

Her pool buoy is about playing to your strengths.

Stop watches are used to constantly see where you are at.

Her squad mates motivate her. She told the students to surround themselves with really good like-minded people.

She uses her medals to recognise success.

Holly Ferling - Cricketer, discussed the responsibilities associated with leadership, encouraging students to consider the legacy they will leave behind.

What parents should know about school attendance:

Regular daily attendance is essential for your child's learning. Not only is it a legal requirement between the age of 6 and 17 years. It also greatly impacts on your child's quality of learning and their ability to reach their learning potential.

Some questions to reflect upon:

Do I have to send my child to school?

YES - all children are required by law to attend school between the ages of 6 and 17 years. Some children begin school below the age of 6. That is fine, but once the child is enrolled, it is expected that he / she will attend every day the school is open unless they are sick or have an acceptable reason.

When does attendance become important?

From the first day of attending school. Much of the play that goes on at school teaches your child many skills. If the basic skills are missed in the early years of school they are not fully learnt later on. It has been shown poor attendance in primary school leads to worse attendance at high school.

Do I need to send my child every day?

YES - this includes sports carnivals and excursions.

When may my child stay away from school?

The Department of Education accepts very few reasons.

The most valid ones are:

1. Illness/injury
2. Religious commitment

It is expected that dental and doctor appointments are made after school hours.

Having a birthday is **NOT** an acceptable reason for having a day off.

Please remember:

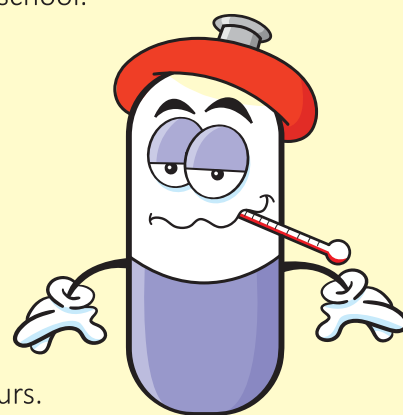

It is a departmental requirement for all parents / caregivers to either notify the school verbally or in writing about the reasons for a student not attending school.

At Shelley, we are very proud of our strong attendance rates and work hard in partnership with parents to maintain them. This is of great benefit to the learning and engagement of our students.

If your child has been away from school, it is important to explain their absence with a note upon their return to school. Parents may also use the Shelley APP to inform us of the reason.

If your child returns to school without a note they will be reminded by their teacher to bring a note in. On the third day the classroom teacher will send a request for absence explanation note home. On the fourth day the classroom teacher will call the parent for a verbal explanation of a student's absence.

If a student does not attend school for 3 days (without prior notice to the teacher), the classroom teacher will call the parents to identify the reason for the absence and a medical certificate will be required to be presented upon the student's return.

Assistant Principals will hold attendance meetings with parents and class teachers after a student has

5 unexplained absences in a term

or

5 unexplained partial absences in a term

Mrs Williams or Ms Campion will request an attendance meeting with parents after a student has

10 unexplained absences in a term

or

10 unexplained partial absences in a term

Kindy BBQ - Celebrating 30 Days of Kindergarten

**Congratulations to our Week 6 Shelley Super Stars:
Shree 2J and Isabella 6D**

**Congratulations to our Week 7 Shelley Super Stars:
Luke 6E, Hosea 3S, Finau 4L, Jessica 2P, Nathan 6E and Zac 2P**

Shelley Super Stars

Congratulations to the following students on achieving their:

Jesse

6E

Georgia

6D

Hiranja

4B

Alia

5T

Jackson

3T

These students will be presented with their badges on Monday 18th March at the K-6 Assembly

Leanita Williams - Deputy Principal

Student Birthday Celebrations

It is lovely for students to have the opportunity to celebrate their birthday with their classmates, however we ask parents to please limit your celebrations to a cake or ideally small cupcakes to be shared amongst the class.

PBL Update

Shelley Super Stars are Safe Respectful and Responsible!

Our representative shirts have arrived! A big thanks to the Shelley P&C who funded the purchase of these special shirts for our Super Stars to wear when representing the school. We will use them at the zone cross country carnival, to be held next term.

Our purple award winners at the K-6 Assemblies were **Liam from 4B** and **Tia from 2J**. Congratulations, We hope you both enjoyed your special canteen reward!

The PBL Committee

Zone Swimming Carnival

Shelley swimmers performed well at the Blacktown Zone Swimming Championships. It was great to see the children supporting and cheering each other during each event. We may not have won the carnival but we were way in front in the cheering stakes.

What was very evident and encouraging was the determination of each of our swimmers to do their best, with most reporting swimming "Personal Best" times. The most pleasing and rewarding aspect of the meet was to see each swimmer exit the pool with a big smile on their face. All swimmers said they enjoyed the experience and congratulations to each competitor on making the school team to represent at zone.

We had a large team of 27 swimmers attending and did Shelley proud. It was great to have so many parents supporting and encouraging all our swimmers and I know our children appreciated the wholehearted support. Although some of our children did well in their heats, each race was a timed final and other children may have swum faster in another heat. That aside, our children did their very best in their swims, which was a big effort.

We had the Junior Boys Relay Team representing Blacktown at the Regional Carnival at Homebush. The team included Jake 4B, Tate 3S, Nathaniel 4L and Jake 4L. Great effort boys, congratulations on running second in the final. We have both Harry and Jake 4L representing in a number of individual events as well at Homebush.

A very big congratulations to Jake 4L who won the Blacktown Zone JUNIOR BOYS CHAMPIONSHIP. This was for boys 8yrs, 9yrs and 10yrs of age. As Jake is only 9yrs we have high hopes for him in 2020 as well.

Mr Brian McKay

Green Team News

On Wednesday we had our very first meeting of the 2019 Green Team. We found out about green thumbs and all the jobs needed to keep our school clean, green and fun! All our gardeners were able to find and pot a marigold to take home. What a fast and furious gardening morning!

Now that we know what a marigold looks like, we will be weeding around our vegetable gardens... pulling out all the green things that are **not** a marigold.

We have some capsicum, eggplant, kale and silverbeet that are trying hard to grow in this hot weather. We are hoping to make something delicious to eat when they are

grown and delicious. Please feel free to enjoy our lovely lemongrass, which is growing beautifully at the moment. We will also have another batch of Worm Wee Tee available soon, which is a great addition to your garden - helping improve your soil health! What a busy and productive place our garden is!

A special mention to our returning, experienced gardeners, who were true champions, helping and supporting our newest members of the Green Team. Ms Liyange, Mrs Brechin and Mrs Legge are very excited to have such a great bunch, ready, willing and smiling in our amazing gardens this year!

A big part of the Green Team's role is the management of the **Return and Earn** system, through which we can raise funds for the SRC by recycling our drink containers. The yellow bins are for any drink containers from

the canteen as well as cans and bottles with the barcode and 10c message. Students need to empty the containers, take out the straw and put them in the yellow bin.

Feel free to add to our collection, but please no coffee cups or other rubbish. We look forward to making Shelley even greener than ever!

We extend an invitation to any community volunteers to support the Green Team on Wednesdays after 9am. Sometimes we need a hand with a final tidy up, some more extensive weeding or some fabulous new ideas or energies.

If you would be interested in volunteering to be a wonderful part of the Green Team, please see the Mrs Brechin in the office.

Ela is one of our Senior Gardeners. She has been doing a great job mentoring our newest Green Team members.

HARMONY DAY

Thursday
21st March

Wear orange mufti clothes or national costume

Celebrate cultural diversity - Parents are welcome to dress up too!

Speechie Corner

An activity to complete this fortnight...**Play Modified Scattegories**

How? Write category words on individual pieces of paper and then place them into a box. (E.g. colour, size, texture, shape, animals, food, transport, sports, clothing etc.) Write all the letters of the alphabet and place them into a separate box. Ask your child to pick one piece of paper from each box i.e. one category, one letter.

Tell your child the aim of the game is to write down as many words relating to the category chosen that start with the letter that was chosen. For example, if the category is texture and the letter is 's' they could write down smooth, slimy, sticky, slippery etc.

The child is given a time frame of your choosing (e.g. 3 minutes) and is to write down all of the words they have thought of. After the time is up, the child will read out all the words they have come up with.

Why? To practice and revise new vocabulary.

What do I look for? Make sure they are writing words starting with the right letter and that they match the category.

How can I make this easier?

- Take away the time limit
- Use pictures to help prompt your child

How do I make it harder? If you are playing with multiple people, you can play in teams. The team that gets the most words will get a point and those who win the most points at the end wins the game!

Sophie Gill - Speech Pathologist

P&C News

Second hand uniform items are now being sold in the Uniform Shop

Second hand uniform items are now being sold in the uniform shop for \$5 each item (no exchange or refund). Please note that all items are washed prior to being sold.

If you have any unwanted uniform items in good condition that you would like to donate to the Uniform Shop, please bring them to the canteen, uniform shop or to the office.

No second hand items will be held or put aside. They are sold on a first come basis at the regular shop opening time of Monday at 8:30 – 9:30am.

P&C Fundraisers

We have several fundraisers running at the moment. They are:

- 5 Cent Drive
- High Bounce Balls (for sale at the canteen)
- Easter Raffle

We thank Mega Mini Golf Campbelltown for their kind donation to the Easter Raffle.
