Thank you to all those parents who have now lodged their application forms for Kindergarten next year. In the next few weeks, parents who have completed the enrolment process will receive a letter from the school with information about our upcoming Kindergarten Orientation sessions.

If you have a child, who will be turning 5 before 30th July, 2023 and you intend to enrol them for next year, please complete an online application form as soon as possible.

A completed application form is needed for each new student, even if they already have siblings at Shelley.
