

## 2020 Student Resources

There are several resources that all of our students will need throughout the year, which parents pay for. These are grouped into a 'Student Resource Pack'. The student resources for each grade are tailored to the syllabus needs and requirements for that grade.

At Shelley, we supply most resources required for your child's education, including creative arts supplies, sporting equipment, workbooks, Literacy and Numeracy resources, and technology programs and their licenses. To help cover these costs, we ask that families contribute via a voluntary \$25.00 per family classroom resources payment.

### Student Resource Pack Contents

Your child's student resource pack includes relevant items from the following list, in addition to other stationery items:

- **Footsteps Dance Program, Life Education and Musica Viva** – are included and are part of the PD/H/PE and music education key learning areas for all students. (These activities are school incursions and will not require notes).
