

Year 1 Excursion to Sydney Zoo

Date: Thursday 13th May, 2021.

Cost: \$27.00

Wear: Full school uniform, with school hat.

Bring: Recess, lunch and a bottle of water in a small backpack, labelled with their name and class.

Time: 9:00am - meet teacher on class circles

Year 1 students will be learning about “Features of living things” in their integrated unit of work this semester. They will compare a variety of animals to each other and themselves.

At the zoo, students will be able to walk around in small groups, with teacher supervision and observe a range of animals in their habitats. They will be encouraged to consider the needs of animals in their environments and make links to knowledge learnt at school about human needs.

If you are interested in attending the excursion to assist the teachers, please write a note and return it with your child’s permission note. Please be aware that you may not be with your own child’s group. There are limited spaces available for parent helpers, therefore, they will be randomly selected. Parents selected as helpers will need to meet us at Sydney Zoo and will be unable to travel with us on the bus.

Students are to meet on their class dots at 9:00am as the buses will be departing promptly at 9:15am.

Please complete the permission note and return it with payment to the office by the 30th April, 2021.
