

## 2021 Student Resources

At Shelley, we now supply almost all the resources required for your child's education, including creative arts supplies, glue sticks, whiteboard markers, sporting equipment, workbooks, Literacy and Numeracy resources, and technology programs and their licenses. To help cover these costs, and to enable us to continue to enhance the school environment, we ask that families contribute via a **\$30.00 per family voluntary** contribution.

There are several resources (subscriptions, incursions and equipment) that all of our students will use throughout the year, and parents pay for at the beginning of the year. These are grouped into a 'Student Resource Pack'. The student resources for each grade are tailored to the syllabus needs and requirements for that grade.

### 2021 Equipment, Incursions and Subscriptions

Your child's 'student resource pack' includes relevant items from the following list:

- **Headphones** – All students in Years 1-6 require a set of quality, noise cancelling headphones for literacy. The headphones stay at school and will be given to students when they leave at the end of Year 6. Only new students to Years 1 – 6 need to purchase this.
- **Home Reader Bag** – is included in the Kindergarten resource pack. Only new students to Years 1 and 2 OR students who have lost theirs will need to purchase one.
- **Shelley 8GB USB, lanyard & ID holder** – are included in the Kindergarten resource pack. Only new students to Years 1 – 6 need to purchase this. These items stay at school and are returned to students when they leave at the end of Year 6.
