Connecting School and Home Evening

At the beginning of each year we host an opportunity for you to meet the teachers of Shelley PS. Over the last few years we have held stage information sessions and a family BBQ. Unfortunately, the current COVID restrictions mean that our Connecting School and Home evening will be quite different this year.

The Meet the Teacher evening will be held during **Week 4 (Monday 15th – Thursday 18th February)**. We will provide more information about the Meet the Teacher evening early next week.

Our teachers are looking forward to working with you and your child this year. Please do not hesitate to contact the class teacher should you have any concerns about your child's education throughout the year.
