Dear Parents / Caregivers,

Year 4 Seaweed Survival and Adaptations Excursion

- When:** Wednesday 1st June 2022
- Time:** Be at school by 8.45am. Bus departs at 9am and will return by 3pm.
- Where:** The Royal Botanic Gardens, Sydney
- Cost:** \$38.00, which covers entry fee and bus fare.
- Due:** Wednesday 25th May 2022

This excursion has been organised to complement our Semester 1 Integrated Unit.

Students will discover the amazing world of seaweed through immersion in the 'Inside the Tide' exhibition. They will learn how this vital living thing grows, survives, and reproduces in its watery habitat, to produce up to 70 per cent of the world's oxygen. Students will fine tune their scientific skills by creating their very own herbarium for further observation.

The students are to wear full school uniform including their school hat. They will also need to bring morning tea, lunch and drinks in a small carry bag or small backpack with their name clearly labelled. Students are asked to bring an environmentally friendly low litter lunch with no throw-away parts like plastic or aluminium wrapping.

Children are not to bring any money as there will be no canteen or shops available.

Please complete the permission note below and return it to the office with the correct money or make an online payment via the school website no later than Wednesday 25th May 2022.
