MITCHELL HIGH SCHOOL YEAR 6 ENRICHMENT CLASSES

Who: Year 6 students
Where: Mitchell High School
When: Tuesdays in Terms 2 and 3
Time: During normal school hours

This year Shelley PS and Mitchell HS are again collaborating as part of a Year 6/7 transition program to provide our Year 6 Students with the opportunity to take part in Enrichment Classes. These classes are open for all of our Year 6 students regardless of whether they will be attending Mitchell HS in 2020.

The program is designed to provide our Year 6 students with the opportunity to engage in a range of Science, Visual Arts, Language and Computing lessons in a High School environment. They will be taught by both specialist teachers from Mitchell HS and Year 6 teachers.

As well as taking part in a wide range of challenging and rewarding lessons, students will have the opportunity to experience learning in a high school environment. This experience will hopefully allay many fears about high school and hold the students in good stead for when they commence Year 7 in 2020.

The program is scheduled to commence in Week 2 of Term Two. Lessons will run from 1:40pm-2:40pm, and will continue each Tuesday afternoon throughout Term 2 and Term 3.

Year 6 will have an earlier lunch on Tuesdays allowing them time to walk with Shelley Year 6 teachers to Mitchell HS. They will return before the regular end of school time at 3pm.

There is no cost involved for students to take part in the program. All that we require is parental consent for your child to walk to and from Mitchell HS. I would greatly encourage you to support what promises to be a very rewarding program in 2018.

Please complete the attached permission note and return it your child's teacher **no later than Thursday 11th April, 2019.**

Thank you for your support,
